

ORMARINE

RENCONTRE DE TERROIRS

ZEST LIBRE ROSE

In order to meet new consumer demands, the Ormarine winery is innovating and adapting, as seen in its new low-alcohol wines.

APPELLATION : France wine

GRAPE VARIETY : Syrah

TERROIR : Light-textured soils, sandy loam to sandy clay, with few stones and relatively deep

VINIFICATION AND AGEING : The grapes, picked at perfect ripeness, are pressed at low pressure.

The juice is then partially desugared by membrane filtration.

The wine obtained after alcoholic fermentation has an alcohol content of 9% ABV with no residual sugar. A vacuum evaporation technique then reduces the alcohol content to 7.5% ABV.

TASTING : A very light wine!

COLOUR : Litchi

NOSE : The nose is marked by notes of red fruit.

PALATE : The light and refreshing palate expresses itself with notes of strawberries and small red berries.

PAIRINGS : Fresh, fruity, and irresistibly free!

For convivial moments in complete freedom around tapas, charcuterie or grilled food.

OENOLOGIST'S TIP : This product is guaranteed free of added gas, flavorings, or sweeteners to preserve all the characteristics of the wine. Its optimal quality is guaranteed until the expiration date indicated on the bottle.
